

LABOR

IN THE CLIMATE TRANSITION

CHARTING THE ROADMAP FOR 2019 AND BEYOND

SEPTEMBER 12, 2018 DAVID BROWER CENTER BERKELEY, CALIFORNIA

Official affiliate event of the 2018
Global Climate Action Summit!

- **California** – What is labor’s agenda for a climate strategy that protects good jobs?
- **Just Transition** – Best practices from U.S. and abroad for the low-carbon transition.
- **Transport & logistics** – How to support workers as emissions rules and automation transform cargo transport.
- **Transit & smart growth** – Labor’s role in low-emissions urban mobility.
- **Clean electricity** – How renewables and the changing grid can support good jobs.
- **Adaptation** – Preparing communities and infrastructure for impacts of climate change.
- **Alliances** – Success stories for creating and strengthening broad coalitions for climate action.
- **Energy efficiency** – Best practices for good jobs while reducing energy use in buildings/industry.
- **Training & apprenticeships** – How unions use training to build market share and support a diverse workforce.
- **Offshore wind** – Labor is organizing this new industry in the East Coast – what about California?
